

LIMITED WARRANTY FOR EPOXY LINED TANKS

This warranty applies to the original owner (purchaser) at the address of the original installation only. Should premature failure occur and subsequent examination determine that failure of the tank was due to materials or workmanship, terms of this warranty, at Wendland Manufacturing Corp.'s option, the tank will be repaired or replaced **F.O.B. factory, San Angelo, Texas.**

Terms: This warranty is for one year from date of original purchase (date of shipment) for the original purchaser only.

Limitations: This warranty does not cover any tank not installed in accordance with applicable codes and ordinances. This warranty is void if the tank is not installed with proper electrolysis prevention. This warranty is void if working pressure or temperature exceeds the temperature or pressure stamped on the manufacturer's nameplate on the tank. This warranty is void if the tank is used in method(s) other than original design intended. This warranty is void if the tank is altered in any way.

This warranty does not cover any labor, freight, removal or installation cost, either for its original purchase or replacement. This warranty is in lieu of all other warranties whether expressed or implied.

Notification: If a failure should occur under terms of this warranty, notice shall be in writing addressed to Wendland Manufacturing Corp. Notice shall include tank serial number, date manufactured, installation location and description of failure (pictures if available).
